1. Dry emboss the front of the bubble bath cardstock with the painted texture embossing folder.
2. Create the background on the vellum with the stampin blends and the vellum. See video in post to create background.
3. Cut 2 circles from the radiating dies from lemon lime and melon mambo and heart from bubble bath.
4. Use embossing buddy to run over basic white layer of cs and then stamp greeting. Pour black embossing powder on top and run embossing gun over until it melts.
